The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**RESOLUTION OF INTENTION TO VACATE
A PORTION OF COLD CANYON ROAD - MONTE NIDO
FUTURE PUBLIC HEARING
SUPERVISORIAL DISTRICT 3
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the enclosed Resolution of Intention to Vacate a portion of Cold Canyon Road, north of Piuma Road, in the unincorporated County area known as Monte Nido, pursuant to Section 8320, et seq., of the California Streets and Highways Code.
2. Set the matter for hearing not less than 15 days from the adoption of the Resolution pursuant to Section 8320 of the California Streets and Highways Code.
3. Instruct the Executive Officer of the Board to publish the enclosed Notice of Proposed Vacation pursuant to Section 8322 of the California Streets and Highways Code.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the enclosed Resolution to Vacate with Reservations on the date of the hearing, pursuant to Section 8324 of the California Streets and Highways Code, after finding that:

- a. The vacation is categorically exempt from the provisions of the California Environmental Quality Act (CEQA).
- b. The area proposed to be vacated is no longer needed for present or prospective public use, including bicycle paths and trails.
- c. The public convenience and necessity require the reservation and exception of easements and rights as set forth in Section 8340 of the California Streets and Highways Code.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

West Pointe Homes, Inc., the underlying fee owner, initiated the vacation of that portion of Cold Canyon Road outside of the 72-foot right of way alignment to comply with the condition of approval of Tract No. 45168. This action will remove from the record all public easement rights in the proposed vacation area.

The original alignment of Cold Canyon Road, north of Piuma Road, was dedicated to the County in 1929 and in 1930 for public road and highways. In December 1990, as a result of the filing of Tract No. 45168, Cold Canyon Road was realigned to make the intersection of Cold Canyon Road and Piuma Road perpendicular. The new alignment negates the need to retain portions of the old alignment.

Vacation and abandonment of a portion of Cold Canyon Road from Piuma Road to approximately 250 feet north of Piuma Road will not eliminate access to any adjacent properties, nor will it negatively impact the property of other owners. The vacation also allows us to divest unnecessary and excess right of way. It is in the County's interest to vacate the right of way since it no longer serves the purpose for which it was dedicated and is not required for general public access, circulation, or for bicycle paths and trails.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as the vacation of the right of way will result in added revenue through assessment and taxation, eliminates unnecessary maintenance costs, and removes possible County exposure to liability.

FISCAL IMPACT/FINANCING

Vacation of this portion of Cold Canyon Road will not have a negative fiscal impact on the County's budget. A fee of \$2,000 has been paid by the petitioner to defray the expenses of investigation, mailings, publication, and posting. The fee is authorized by your Board in Resolution adopted May 4, 1982, Synopsis 62 (Fee Schedule), and as prescribed in Section 8321 (d) of the California Streets and Highways Code.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The area to be vacated contains approximately 10,404 square feet and is shown on the map attached to each Resolution.

The County's interests were acquired as an easement for road and highway purposes in deeds recorded on December 20, 1929, in Book 9552, page 354, and recorded on April 22, 1930, in Book 9882, page 252, both of Official Records, and as dedicated by map of Tract No. 45168, filed on December 6, 1990, in the Office of the Recorder of the County of Los Angeles.

The Public Streets, Highways, and Service Easement Vacation Law allows your Board to voluntarily relinquish the County's interest and terminate the public's right over a street or highway. Adoption by your Board of the recommendations contained herein terminates the rights of the public to the vacated area and disposes of excess County right of way. Your action will also result in the affected properties being unencumbered of the public easement, thereby allowing the owners of the underlying fee title to exercise their reversionary rights over the vacated area.

ENVIRONMENTAL DOCUMENTATION

With respect to requirement of CEQA, this proposed vacation is categorically exempt as specified in Classes 12 and 21(a) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57, and Sections 15312 and 15321 of State CEQA Statutes and Guidelines.

The Honorable Board of Supervisors
October 23, 2003
Page 4

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The County of Los Angeles Fire Department has found that no fire protection facilities will be affected by the proposed vacation. The County of Los Angeles Regional Planning Commission has determined that the proposed vacation does not conflict with the County-adopted General Plan. Existing easement rights for utility facilities will be reserved to Pacific Bell, Southern California Gas Company, and Las Virgenes Municipal Water District.

CONCLUSION

This action is in the County's best interest. Enclosed are a Resolution of Intention to Vacate and a Resolution to Vacate with Reservations, approved as to form by County Counsel, vacating a portion of Cold Canyon Road, north of Piuma Road. Upon adoption of the Resolution of Intention to Vacate, please transmit two conformed copies of the Resolution and the Notice of Proposed Vacation to Public Works, which will post the notices pursuant to California Streets and Highways Code Section 8323. Upon adoption of the Resolution to Vacate with Reservations, please return one executed original, together with two conformed copies and a copy of the Board's minute order, for further processing. Public Works will record the Resolution and return the executed original Resolution to you when recorded. In the interim, please retain one executed copy for your files.

One approved copy of this letter is requested.

Respectfully submitted,
